

INVITATION

I-SERVE & NIPER cordially invites you to the
National Conference on
"Scope and Relevance of Ancient Indian Sciences"
12th November, 2011

National Institute of Pharmaceutical Education and Research
(NIPER), Campus of IDPL(route towards Kukatpalli), Balanagar, Hyderabad

About NIPER: National Institute of Pharmaceutical Education and Research (NIPER) is an autonomous body and established under the aegis of Ministry of Chemicals & Fertilizers at Hyderabad as a centre of excellence for higher education, research and development in pharmaceutical sciences. NIPER has been created as a centre of excellence for higher education, research and development in pharmaceutical sciences.

Objectives: Enhancement of creativity, motivation, drive and inculcate professionalism. To prepare professional to suit to the need of pharmaceutical industry. Create a world class institute of teaching and research in the field of pharmaceutical sciences.

Opportunities: Study at NIPER, Hyderabad enriches the prospect of the students, by virtue of the rich industrial and research exposure they receive, from the vast pharmaceutical industrial belt and the large chain of industrial research establishments, in the form of guidance from the guest faculty and doing project work in those establishments.

About I SERVE: I-SERVE (Institute of Scientific Research on Vedas) is a scientific research institute dedicated to dig out the technical details of Vedic sciences from ancient Indian literature. It is registered as a charitable non- profit making Trust by a group of scholars & scientist, well versed both in ancient and modern sciences. It is recognized as a SIRO (Scientific and Industrial Research Organization) by DSIR (Dept. of Science & Industrial Research) Ministry of Science and Technology, Govt. of India). It is also recognized as scientific organization by the Income Tax Department of India and is approved U/s. 35(1)(ii) of its act, so that the donors of I-SERVE can get weighted deduction upto 200% on their contributions to I-SERVE. It has nine MoUs so far, with premier Universities like Central University of Hyderabad and National scientific Institutes like I.I.C.T (CSIR), Hyderabad. I-SERVE brought out around 30 scientific publications on ancient sciences and conducted more than 30 National / International conference / workshops on several subjects. The Institute aims at presenting a nature friendly, non- hazardous and non- pollution producing alternative science. The beneficiary of this research work will be the whole of mankind without any barricades of caste, creed or gender.
